The kingdom of Thailand lies in the heart of Southeast Asia and is divided into four regions; including the North's vast mountains and plans, the Central rice paddies, the Northeast plateau and farmlands, and the coastline and tropical islands of the Southern Peninsula.

BANGKOK

Bangkok has plenty of appeal in spite of being congested and hectic. With towering skyscrapers pressed up against Chinese shop-houses and brand-new Mercedes squeezing past vendors with pushcarts, this is a city of sharp contrasts. Culture fiends will delight in the dazzling Royal Palace and the city's countless pagodas, while shoppers could spend weeks sifting through Bangkok's malls and open-air markets. Entertainment and dining options are equally varied. Whether you're eating French cuisine in a plush hotel restaurant or sampling fried crickets on the side of the road, prepare to have all of your senses engaged. This is the place to eat, drink and be merry.

Activities and Group Events include:

- ◆ Temples—including the Royal Palace visit
- ◆ Canal Trip - see the early morning markets on the river
- ◆ Tuk Tuk or Motorcycle Taxis—fastest method to get around on your own!
- ◆ Jim Thompson's House—historic home of man who brought Thai silk to the international marketplace
- ◆ Dance—night of beautiful entertainment
- ◆ Culinary Classes—learning secrets of Thai food

OUTTER LIMITS

CHIANG MAI

Surrounded by hills, Chiang Mai offers both pretty surroundings and architecture. Enclosed by a moat and crumbling walls, the old city features great cafes, shops and accommodations. An important Buddhist centre since the 14th century, Chiang Mai is home to more than 300 temples. Many visitors come here to attend meditation retreats, massage classes or yoga lessons. It is also a centre of handicraft production, with a long history of silverwork, woodcarving, pottery-making and weaving. Not to be missed is the Night Bazaar, a series of covered markets, shops and stalls that offer the best selection of handicrafts in Thailand.

KOH SAMUI

Lying off Thailand's east coast in the Gulf of Thailand, Ko Samui offers everything you could want in a beach retreat: white sand beaches, coconut palms, fresh seafood and clear water. With an area of 247 square kilometres, Ko Samui is the largest island in an archipelago of around 80 islands. The nearby Ko Pha-Ngan and Ko Tao also offer many beach resorts and great diving. Like Phuket, Ko Samui attracts many visitors yet has plenty of out-of-the-way spots for those wishing to get away from it all.
